

## The Wolfeboro Historical Society June 26 Flea Market

This summer looks to be a strong season with lots of visitors. The Wolfeboro Historical Society has planned a series of outdoor events keeping C-19 restrictions in mind. Our opening event is a June 26 flea market (rain date June 27) on the beautiful grounds of the Clark Museum. All are welcome to bring white elephants, attic treasures, and Aunt Mildred's stag horn hat rack currently moldering in the garage. Our table fee is \$25 for a 10x10' space, with 6' distance between participants. Society members get a \$5 discount. Josh Chamberlain Antiques will be on hand for free antique appraisals from 12:00 to 2:00 pm. Be sure to mark Saturday, June 26, 11:00 am to 4:00 pm at the Clark Museum on your calendars. Vendors contact [pmhodder@gmail.com](mailto:pmhodder@gmail.com) to reserve your space.
